| Our project                | This term, Fox Class will be looking at the question “Who helps us?” We will start by looking at different superheroes before moving on to people who help us such as firefighters and doctors. The first story we will be looking at is Supertato. All stories will be shared on Seesaw. In science we will be looking at the world around us and how it changes through the seasons.                                                                                                                                                                                                                                                                                                   | 4/1/27- Children return to school                                                                                                                                                                               |

| Behaviour System in school | Our school rules and behaviour system focuses around the three words ‘ <b>Ready</b> ’ ‘ <b>Safe</b> ’ ‘ <b>Respectful</b> ’. Conversations with children will focus on our 3 words and children are expected to follow the rules in class, at break/lunch time and around school. When a child’s behaviour is unacceptable, unsafe, hurtful or disrespectful they will be asked to reflect on their behaviour during the day with senior members of staff. Serious incidents will be dealt with by the Head or Deputy Head teacher and parents/carers will be informed. It is important as parents/carers that you support and reinforce how your child is expected to behave in school. |                                                                                                                                                                                                                 |
