

## **Grasmere Academy - Annual Pupil Premium Report for 2024 – 2025**

### **Context**

#### **PP Profile of Grasmere Academy – July 2025**

Total Number of children on roll: 97

Number of learners with PP: 51 = 53%

#### **Further Context**

Number of learners who are SEND and Pupil Premium: 35 = 36%

Number of Learners who are PP and EAL: 2 = 2%

#### **Number of children with PP per Year group - July 2025**

2's: 0 chn	Nursery: 0 chn	Reception: 7 children	Year 1: 2 children	Year 2: 7 chn
Year 3: 8 chn	Year 4: 7 chn =	Year 5: 9 chn	Year 6: 11 chn	

#### **Most Common Barriers of Need:**

Barriers for our Pupil Premium children are outlined in the PP strategy – but mainly revolve around:

1. Amount of PP who also have SEND
2. Lack of cultural capital and life experiences
3. Deprivation and poverty indicators
4. Poor mental health

#### **PP Attendance**

Last year the whole school % for attendance was 92%, for our PP children it was: 90%, Non PP was 93%

PA 22 children in whole school of which 15 were Pupil Premium

NA – all pupils	75%	72%	74%
All children	50% (11%)	56%	39% (11%)
PP children	%	%	%

### **Suspension:**

1 day suspension, for 1 child not Pupil Premium

### **Engagement in Clubs and Extra Curricular Activities:**

Inclusion of opportunity is important to all our children at Grasmere. Children with PP are included in school trips and experiences, where we carefully plan with additional support, so that they can access the event alongside all other children. Funding/costs of trips aren't a barrier for our Pupil Premium children – we are very mindful as a school to not ask too much financially from our families, but part of the PP funding is used to support families with trips so that all children can access this. Similarly, with our after-school clubs, these are open to all children who want to participate in them and additional support is thought about when needed.

**Next Steps:** See PP Strategy for 2024 - 2027
